

# BBQ & GE DEMO

## Dahl-Beck Electric & Beck Electric Supply

Thurs. May 13, 2010  
Drop by between 11:30AM — 1:30PM

The GE SmarTour 2010 display will be stopping by our facility before moving on to other venues throughout the country. Stop in for some BBQ lunch and learn about the advantages of GE Energy technology and their leading-edge solutions designed to help you reduce plant energy consumption, improve safety and increase profitability. The following products and services will be displayed during the event:

- Station 1:** Motors
- Station 2:** Transformer Services
- Station 3:** Arc Vault Demo (demo at Noon & 1PM)
- Station 4:** ISO Phase Bus Duct
- Station 5:** Switchgear Services
- Station 6:** Drives
- Station 7:** Motor, Mechanical & Inspection Services
